

Course Book

05/20

Chapter 6

Activity 7

- The solution for mixing labour is incorrect; it should be 17.20, not 1117.20 (totals are not affected)

Chapter 8

Activity 3

- The proforma is missing the final line in the process costing account

Chapter 10

p.187

- Should say "in **line** with objectives", not in **fine** as in the diagram

Chapter 14

Activities 4 and 5 refer to the example above, they should refer to activity 2.

Chapter 15

Illustration 4

- Illustration 4 says A project has the following NPVs at discount rates of 10% and 20% - it should say 9%, 11% and 13%.
